2. PROBLEM SECTION

Headline

Tired of Always Feeling Broke?

Body

It's not about how much money you make — it's about how you manage it.

In today's world, spending is frictionless.

One-click checkouts, targeted ads, and constant scrolling make it easy to lose control without realizing it.

Micro Pain Points

- Small daily spending adds up fast
- Avoiding your bank account becomes normal
- Financial stress starts affecting your life

8. CORE BELIEF / POSITIONING

Headline

Tracking Isn't Enough

Body

Most apps show you where your money went.

They don't help you change what happens next.

Vero is built differently — we focus on behavior, not just awareness.

9. STORY SECTION (ABOUT)

Headline

Why Vero Exists

Body

Built by Gen Z founders from different backgrounds, Vero started with one belief:

This generation doesn't have a knowledge problem — it has a behavior problem.

Changing behavior is hard — especially in a system designed to make you spend more.

That's why we built Vero.

13. FAQ SECTION

Is Vero safe?

Your data is private. We don't access your bank account.

Is Vero free?

Yes — with optional premium features.

Why gamification?

Because behavior change requires engagement, not just awareness.

Do rewards encourage spending?

No — they reward control, not consumption.

Who is Verdi?

Your in-app companion — designed to guide and motivate you.

What does "Vero" mean?

"True" — representing honest, sustainable financial habits.
